Members of your Outreach Department have become aware of and supportive of

Hilton Parma Drug Intervention & Community Education - HPDICE

One of HPDICE's most important goals is to educate the community on healthy ways to support recovery that will eliminate the stigma, embarrassment and personal shame associated with alcoholism and addiction. After all, who wants to admit that they, or a loved one, has an issue with either alcohol or drugs. It's hard enough to consider that there may be those who are selling or using illegal drugs in our town, but who wants to admit that some of their prescription drugs were missing after a visit by a sibling, a child or a grandchild, or that they, themselves have an issue with those same prescription drugs that were once a life-saver.

No one should fear judgment when looking for help!

HPDICE is **not** a Drug Treatment Facility, a Drug Counseling Center, AA or NA affiliated or made up of Behavioral/Mental Health Specialists.

They are a grassroots Community Anti-Drug Coalition, providing Substance Abuse Prevention, Education and Recovery Resources that will drive advocating change.

- The 1st Community Coalition on the West Side of Monroe County, New York
- Member of CADCA - Community Anti-Drug Coalitions of America
- Recognized by OASAS - NYS (Office of Alcoholism and Substance Abuse Services) for promoting healthy and safe communities using evidence based strategies.

Who they are:
Founded in October 2014 and represented by parents, law enforcement, local village and town government, school district, local businesses, professionals in the healthcare field, youth, volunteers and faith partners - all referred to as 'sectors'. Meet regularly to address substance abuse activity and trends in the Hilton Parma Community - with a focus on the Hilton Central School District and the Town of Parma (approximately 43.2 square miles and a population of more than 22,000 residents). This includes portions of Hamlin, Brockport, Hilton, Greece and Spencerport.

What can we do today to help? Lock up our medications and alcohol in our homes and do not serve or purchase alcohol for anyone under 21. If you would like more information or are struggling with someone with an addiction, you may contact HPDICE at hpdice@gmail.com.

If you are interested in learning more, HPDICE is always happy to see new faces at their meetings. They meet on the 2nd Monday of each month, beginning at 6:00 pm at the Parma Town Hall, 1300 Hilton Parma Road. They are a non-profit organization that relies on donations to promote their message and support the implementation of identified strategies. Additional resources: www.hpdice.org and Facebook: HP.DICE
