

December 14, 2020

Dear HBC Family and Friends,

As you know the COVID-19 Pandemic is a growing concern in our Finger Lakes Region, especially in the Rochester area. The CDC and NYS guidelines are mandating more restrictions in designated areas which affect our worship service at HBC.

In an effort to keep everyone safe and healthy, starting immediately we ask that you wear your mask throughout the **entire** worship service.

Due to the concerning rise of COVID-19 cases in Monroe County, starting in January we will be limiting the number of people in the sanctuary to 50 people. We will have additional seating in the Lloyd room and the Library.

Please ensure the safety of yourself and others by complying with the protocols established by the CDC, NYS, and the HBC Task Force.

We are doing all we can to continue to

- (1) Keep everyone safe
- (2) Provide a Sunday service in which we can continue to gather to be in the presence of God together as a community

We ask for your continued patience, prayers and understanding as we attempt to make the best decisions in a situation that is continually changing.

The Team will be watching the news very closely and keeping you informed by email.

Wishing you happiness and health during this holiday season,

Cheryl Nolan (Chair), Dawn Allen, Diane Church, Craig Corey, Barb & Dale Provost, Sue McLean, Donna Schalge & Pastor Dan
