

Worship at Hilton Baptist Church

Beginning Sunday, August 15, 2021, “Masks” are “Highly” recommended for ALL folks entering the building vaccinated or unvaccinated.

With the newest CDC and Monroe County Guidelines of “Strongly Encouraging” everyone to wear “Masks” whether vaccinated or unvaccinated while indoors, the Official Board decided at the August 10th meeting to adhere to these recommendations.

At this time we will take a couple steps back and ask that you please wear a mask when entering and exiting the building.

We will remain seated while singing and ask that if you choose to sing that you please wear your mask.

We will continue taking an offering and the Ushers will be masked when doing so.

Coffee hour in the Lloyd Room after service will be suspended until the numbers in our area go back down.

Worship will discuss Communion procedures at their next meeting before any changes are made to our current process.

At this time, we will not be blocking pews off or asking you to enter and exit through the back door. We would ask that you be respectful of others and try to keep your distance when selecting your seats in the Sanctuary and be patient and considerate of your distancing when entering and exiting the building.

Congregants should use their own discretion when it comes to worshipping at Hilton Baptist Church. If you are not feeling well or have any COVID symptoms, please stay home and enjoy the service on-line through YouTube under “Hilton Baptist Church Live” .

Please stay safe and healthy,
Donna Schalge
