July Newsletter

Dear Friends and Family of HBC,

Recently I had the wonderful opportunity to attend a conference presented by one of my favorite organizations called “Renovare.” If you are unfamiliar with this organization, I recommend you look them up. They have several good resources for a deeper life with God.

While at the conference I attended a seminar called “What’s Going On When Nothing Seems to be Happening: The Life of Lillias Trotter.” If you are unfamiliar with the name “Lillias Trotter” don’t be discouraged, I had never heard of her either.

Although her entire story is fascinating, let me give you an abridged version. She was born in 1853 and died in 1928. She was a woman of faith who had a strong desire to help others. She started a ministry of reaching out to prostitutes because of a burden she had to show them the love of Jesus and help them out of their profession.

She was also a very talented artist. Her artwork captured the attention of John Ruskin, one of the most famous artists at the time. He told Lillias she had a rare talent and with proper training, she could become one of England’s greatest artists. He was willing to be her tutor, on one condition.... She had to give up her ministry pursuits and focus solely on her artwork.

She agonized for days over this decision, knowing the success she would achieve as an artist. However, she also realized she had to choose either her art or her ministry. Finally, she came to a decision and she wrote this in a journal “I see clear as daylight now, I cannot give myself to painting in the way he means and continue to seek first the Kingdom of God and His Righteousness.” She turned down Mr. Ruskin’s offer.

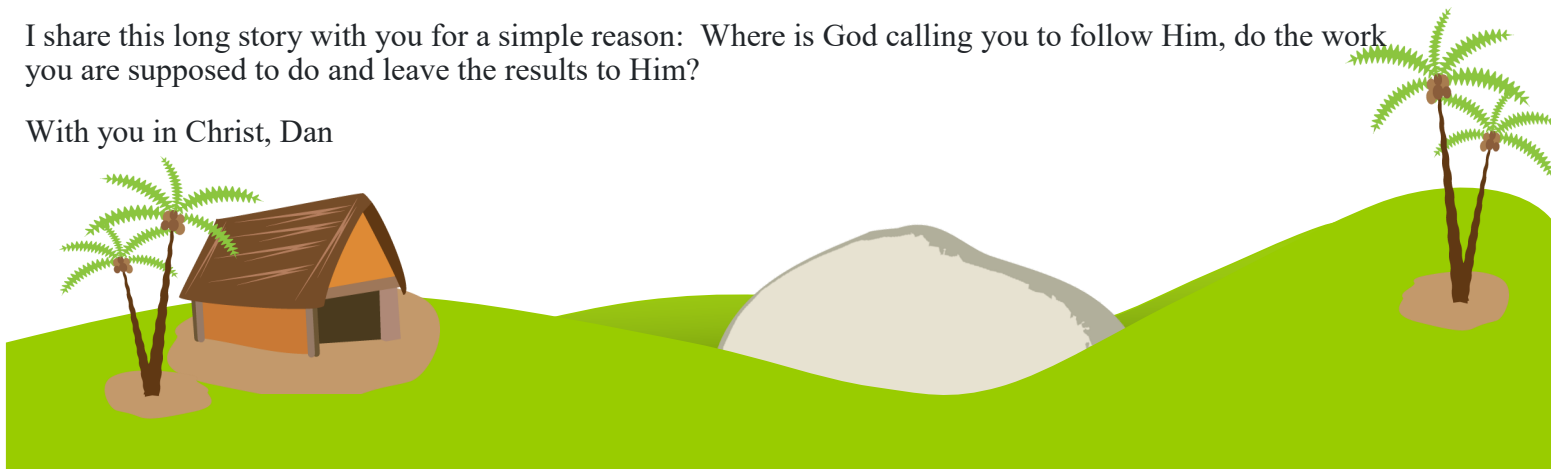

Several years later she heard a speaker talking about mission work in Algeria and she sensed God was calling her to go. She spent the rest of her life in Algeria and often felt she wasn’t accomplishing very much. This was a discouragement for her.

Each day she wrote in her journal and continued to paint what she saw around her. For Lillias, God often “spoke” to her through everyday events. One day she watched a bee go from flower to flower and she painted it. She realized that the bee was pollinating the flowers and in its own little way, the bee was helping to bring forth the new life of Spring. The bee was simply doing what it was meant to do, with very little awareness of its impact.

Lillias felt this was a message for her. She was to keep doing what she was meant to do and leave the results to God.

I share this long story with you for a simple reason: Where is God calling you to follow Him, do the work you are supposed to do and leave the results to Him?

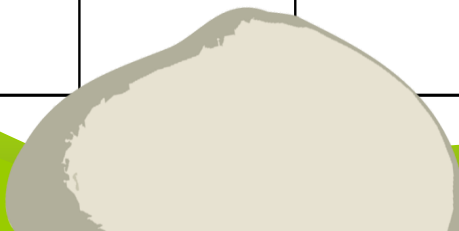

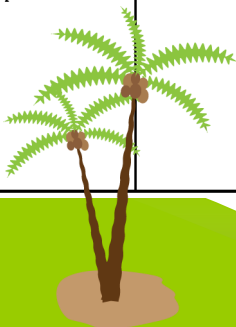

With you in Christ, Dan

Raise the Roof!

We Have a New Roof !!!

The Church Body approved a \$130,820. interest free loan from our Capital Improvement Endowment Fund.

We now need to pay this loan back. If you are interested in making a donation to this project you may put your donation in a "Raise the Roof" envelope (envelopes are in the pew racks) or in the small "Church Box" that is located in the entry way by the ramp door. Please remember if you put cash in the envelope and want it to be recorded on your year-end tax statement for tax purposes, you need to put your name on the envelope. You may also send in a check by mail or from your banking institution, Please put "Roof Project" in the memo line so it gets recorded properly. We currently have **\$7,233.** towards our Goal of **\$131,000.** We will continue to take donations until we reach our Goal.

Our "Fun" Raising Team is busy brainstorming some ideals that we might do to help raise these funds. If you have an ideas for an event, you may reach out to Debbie McCracken, Tom Dobles, Sue Mullen, David Couchman or Sue Fertitta.

THE PEOPLEMAP SYSTEM

How we communicate with each other can be largely influenced by our personality types. The PeopleMap Personality Questionnaire is a simple and accurate measure which identifies the primary strengths and secondary aspects of your personality. The 4 primary personality types within this system are titled Leader, People, Free Spirit and Task. The information gained will improve your ability to create strategies when working with others within your family, your community, or your work environment.

We are assessing interest in a 3-hour workshop, to be held at HBC on September 16th from 9:00-12:00. The program will be led by Rev. Nancy Leport, a certified instructor of the PeopleMap System.

There will be no cost for you to attend the program. Hilton Baptist Church will be covering the cost through the Leadership Funds that were left to the church from the Schoff Family. There will be a "free will" offering basket out that day to help offset the costs of the questionnaires. Refreshments will also be served.

If you are interested in attending this informative workshop, please sign-up on the bulletin board in the back hallway or email the church office by August 15th.

If you have any questions you may speak with Jean Steinmetz or Pastor Dan.

Rummage (and Baked Good) Sale Thank You!

Thank you to all who donated (good, usable, workable, clean) items for the Rummage Sale!
Thank you to those who cleared the Lloyd Room, set up tables and built tables on top of tables!
Thank you to those who loaned us tables and to those who transported tables and other items to the Lloyd Room!
Thank you to everyone who helped us tote boxes from the basement to the Lloyd Room!
Thank you to those who opened boxes, who occasionally had to clean some items, who sorted and organized items into categories, and reorganized and reorganized until we had the best setup possible.
Thank you to those who helped price a gazillion items.
Thank you to those who advertised for us (including sharing our Facebook information).
Thank you to those who assisted customers, providing boxes so that they would be unencumbered while shopping – and helped carry items to the cars.
Thank you to all the cookie/brownie/bread/pie bakers – and for those who made sure our baked food table stayed filled.
Thank you to those who continued to shuffle items into more visible locations.
Thank you to those who cooked for us and fed us and did everything in between.
Thank you to our cashier – and his deal-making in the back room.
Thank you to those who shopped! (And those who patiently waited to shop until we opened!)
Thank you to those helped us pack up and clean up – and take loads of leftovers to other organizations to sell or use!
Thank you, thank you, **each and every one of you** - for your patience and your hard work!
Thank you to those who offered words of encouragement when sorely needed.
Thanks be to all who prayed for this Rummage Sale.
And especially, let's all thank God, for keeping us safe, healthy, moving, and blessed by great customers throughout the entire week!

And, especially, thank you for “humoring me” when I suggested we do a Rummage Sale. I know that this is not the “most favorite” activity that we, as a church, occasionally do. And it certainly was **not** the most convenient time to take on another project. For many, though, this is a great way to clean out our closets and cupboards at home and make a few dollars for the church. And the community **LOVES** it! So in summary, this Rummage Sale was hard work that created a win (individually), win (for the community) and win (for the church budget).

We made **\$4,357.55** to help support our church programs! And we couldn't have done it without you and God!

Thank you and God bless you! With gratitude, Jayne

I don't always get the names spelled right - and I certainly don't include "everyone" each month - and I worry that there are some people that I never include.
