

## Hilton Baptist Church

# January Newsletter

Dear Friends and Family of Hilton Baptist Church,

About a year after I began my pastoral ministry at HBC I had lunch with Rheanolte LeBarbour, a former pastor of this church. He asked me how I was doing and what were the challenges I was facing. I admitted to Rheanolte that I found it strenuous to write a new (and hopefully inspiring) sermon on a new and different topic every week (and) that Sundays sure do come around awfully quick!

Rheanolte's grin seemed to say "Yep, I've been there. I've done that." He then asked if I ever considered preaching different sermon series. He shared that in his own ministry he found that speaking on one subject over several weeks allowed his mind and spirit to focus on one area. He also said it seemed to help the congregation to stay engaged and interested as well.

I will admit that at the time I was somewhat resistant to sermon series. I questioned if they would inhibit God in some way because He was forced to follow *my* preaching calendar. I also wondered if I could be as spontaneous and follow wherever the Spirit might be leading me that particular week.

Looking back now, I feel ashamed and embarrassed by these thoughts. What arrogance! What an ego! What foolishness! As if somehow measly little me could hinder the plans of Almighty God. "It's not about you Dan!" See, even I am still learning that hard lesson that I so often share with you.

I considered Rheanolte's advice and gave his suggestion a try. I had also remembered that another pastor once shared that the series he had prayed over, prepared, and preached were extremely relevant at the time he shared them, as if God had been planning that all along. He also said he found when he planned ahead his mind and spirit would "find" ideas and illustrations that would fit a sermon in that particular series.

In time, I discovered I actually enjoyed preaching sermon series and that all my reservations were wrong. I also discovered that by taking the time to pray, seek God's direction and questioning what topics may need to be addressed in our church and in our world, God still seemed to speak a message into people's lives that needed to be heard at just that moment.

One of my favorite series was "Changes and Challenges." I had sensed this was the topic God wanted me to address as it was just about the time, we were renovating our sanctuary. I had no idea that the Covid pandemic was just around the corner and that those sermons may have been needed more than I realized. God knows what He is doing but obviously I am a slow learner.

Where do I get my ideas for a series? Most of the time I get a "hunch" or a "nudge" in my own soul regarding topics long before you hear about them. For example, our series this past December ("The Journey to the Manger") was on my mind and heart since December 2023! Believe it or not, I'm already sensing some ideas for Christmas 2025.

I wanted to share with you what you can expect on Sunday mornings in early 2025. Taking some time to reflect, pray and study I'm sensing these topics are those that I am being asked to share with you.

In January we will look at a prayer many of you are probably familiar with: The Serenity Prayer. I simply sense we may need to start the year with this. Throughout Lent our theme will be "Are You Listening?" We will be considering who or what we listen to that positively or negatively influences our walk with Christ.

I ask for your prayers as well as your prayers for those who may need to hear what God wishes to say through these series. And we certainly hope to see you in church, it's a good place to hear what the Lord may be saying to you.

Be Still, Dan

## SUNDAY SCHOOL NEWS...

Our awesome Sunday School friends, Sam, Lydia, Christian and Thomas, along with Pastor Dan and Mrs. Benoit, presented a simple rendition of "The Little Drummer Boy" to our Church family. The kids shared their "gifts" like the drummer boy. Pastor Dan shared his talents in song and accompanied with his guitar, to help us tell the story.

After the presentation, the kids enjoyed a snack and then with the guidance of Jayne, filled the tables with your food donations to prepare the Christmas baskets for our community.

## CHRISTIAN EDUCATION NEWS...

- ◆ Adult Education meets on Sunday mornings from 9:00-9:45am in the Library
- ◆ Saturday Women's Bible Study group meets on the 2nd & 4th Saturday of the month in the Library. A new study on the Chosen 3 Series will begin on January 11<sup>th</sup> and will run for 8 weeks. We have light refreshments, watch each episode, do some homework and have discussions. The workbook for this study is \$10 and needs to be paid to the office by **December 29<sup>th</sup>**. Please sign-up on our community board and come invest into your spiritual future. ~Debra Hebing

In March of 2023 the Church Body gave the church permission to take out a 7-year interest free loan from our own Capital Improvement Investment Account in the amount of \$130,820 to pay for a new roof.

After 2-years of fundraising and receiving small to very large donations we have collected a total of \$69,011. to pay back the loan. Thanks to everyone's efforts and generous donations we have reached the half-way mark and only have **\$61,809** left to go.

We do have money in Memorial that will be dedicated this year during Memorial Sunday. After the money is dedicated we will include it in our total (FYI ~ Right now it covers 12 shingles).

The loan is scheduled to be paid back by April 2030 and our hope is to be able to pay it off early. If your generous donations continue to come in we will most likely meet our goal and be able to pay it off early!!

## THANK YOU!!

"Raise the Roof" envelopes are available in the pew racks for your donations.

### Current Fundraisers ....

- ♥ Slate Sale ~ Pieces of slate are in the Lloyd Room by the Historians window
- ♥ Oliver's Chocolate Candy Bars ~ \$2 each. Baskets with candy are in the Lloyd Room and back hallway
- ♥ St. Patrick Day Breakfast ~ March 16 ~ 8:30-9:30 ~ \$10 per person

**A Note from the "Fun" Raising Team...** Winter temperatures and weather are upon us and yet we sit in the Sanctuary, Lloyd Room, Library, and other parts of the building in warmth and comfort because of a generous loan.

The fundraising team under the energetic and enthusiastic leadership of Debbie McCracken and the support of you , the Church family, has raised over half the funds needed to pay back the loan. Thank you all for your continued support and generosity.

Our team is looking for some new members to join us in our fundraising for 2025. No experience necessary, ideas are appreciated. Please consider joining our 2025 team as we earn "shingles" of progress

Debbie, our fearless "Fun" Raising Leader, created a goodies sale table to continue the quest to pay off the roof loan.

Check out the shingle chart progress, and thank you all for your support.

## THANK YOU...

### Many, Many Thanks to Our 2024 Christmas Elves

We had 20 families (51 adults and kiddos, and a multitude of cats and dogs) to bless with Christmas goodies this year. Families ranged in size from 1 person to 8 people; and, ages were from infants to adults well into their 80s. *(Note: Interestingly - this was two **more** households than last year but 18 **fewer** people)*

With your help, we supplied these families with items for their Christmas dinner and a few other meals – along with many, many gifts. The cost for this program – through the church – was about \$1,895. We eliminated some items from our past grocery lists since we found that some of the items that we used to supply are currently provided through Foodlink. And – our budget was also assisted by the many donations from individuals and families... *(Note: This is the third year that we've given our families a small Tops gift card to allow them to pick out some of their own items to make their Christmas meal perfect for them. The families are grateful to have some choice in their holiday planning. It also helps those families who have special needs – vegan, diabetes, lactose intolerant, etc.)*

Thank you to all the elves who helped us with "2024 Project Christmas Dinner Plus". Thank you to those who contributed to our Communion Sunday Offerings (first Sunday of each month) that benefits the Christmas Basket program. Thank you to those who purchased food to help fill those “baskets”! Thank you to those who signed up to sponsor a person/family/critter and, then, purchased, wrapped, tagged and returned gifts to the church – or by providing cash for another elf to shop. Thank you to those who picked up our special delivery of food from the Food Shelf and those who brought the final order of perishables from Tops. Thank you to those who helped stage all of the perishables, non-perishables and gifts for our families. Thank you for making phone calls - or accepting phone calls from our families. Thank you to those who helped deliver - whether it was to someone's home or someone's car. Thank you for taking the time to listen to our families' stories and praying for them or with them, when needed.

Thank you for having faith. Faith requires us to believe in something we haven't yet seen with our own eyes (or maybe we have) - and it requires our thanks, in advance, for what is yet to come - knowing that it will be something beyond what we could dream to ask for.

So, thank you again and bless you all in 2025!!!

With great appreciation from Jayne Gerega, on behalf of the Outreach Department and our Hilton community (And a huge thank you from our families – who were all very, very grateful for your generosity.)

## FINANCIAL NEWS...

### How to Give More and Save on Taxes at the Same Time

Did you know that if you are taking Required Minimum Distributions (RMDs) from an Individual Retirement Account (IRA), it is possible to set up a Qualified Charitable Distribution (QCD), so that you do not have to pay income tax on the entire RMD withdrawal?

If you are 70 ½ or older, you can donate to a charity via a withdrawal from your IRA without having to pay taxes on the withdrawal if you set up a Qualified Charitable Distribution (QCD). Funds withdrawn from an IRA are typically considered taxable income.

If you are 73 or older, and therefore taking RMDs from your IRA, you can set up a QCD and it counts toward your RMD for that year. This is especially helpful, because the RMD is both mandatory and taxable. The QCD helps you alleviate the tax burden on the RMD you are required to take anyway.

One caveat: this opportunity is only available for IRAs. It does not apply to 401K, 403B, 457B, or other employer-based pretax retirement savings accounts.

Everyone's situation is different, so as always, it is best to consult your financial advisor for specific advice.

If you would like to learn more, and/or pursue setting up a QCD for a charitable organization that is near and dear to your heart, your IRA Administrator can provide guidance, forms, and instructions.
