# Hilton Baptist Church

Dear Friends and Family of Hilton Baptist Church,

At the start of every summer, I have offered some suggestions of books you may enjoy reading on a summer's day. Here are a few of the books that I have read and found meaningful in the past year and perhaps you will as well. These are not in any order of importance or significance.

Happy Reading! Dan

Flee, Be Silent, Pray - Ed Cyzewski

This book caught my attention because it describes itself as "Ancient Prayers for Anxious Christians." I found this book to be both helpful and healing. It was helpful because the author explains practices that can be used to calm some of our anxiousness. Yet, I also found it healing because the book addresses much of the guilt we place upon ourselves or have experienced in the "church world." As a result, we may feel woefully inadequate or perhaps giving up altogether. The author addresses these issues and helps us to come to a better and healthier place. For me, this book is a keeper.

Span of Control - Carey D. Lohrenz

This was one of my favorite books to read in the past year. Written by the Navy's first female F-14 fighter pilot, she addresses the situations of life that are under our 'span of control'. Using her personal and professional experience as a fighter pilot, she guides us through dealing with pressures and focusing on the most important tasks at hand. I highly recommend this book!

The Voice of the Lord - David J. Randolph

Sometimes you can find a hidden gem at the Goodwill store and this was one of them. This book is a collection of daily devotions written from a Messianic Jewish perspective. I enjoyed this book because it gave me some insights from Jewish followers of Jesus I had not known or considered before.

3,000 Miles to Jesus - Lisa Deam

During the Middle Ages, it was a desire of many people to make a pilgrimage to the Holy City. Obviously this would have been a challenging journey as there were no planes, trains, or automobiles to transport them. This book recounts the journey of three travelers who made this expedition to the Holy Land. As we travel with these pilgrims, the author shows us the similarities between their journey to Jerusalem and our journey to our "new Jerusalem" as well.

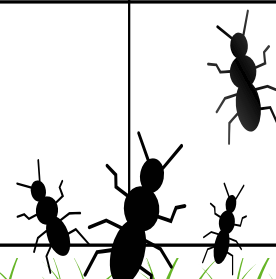

In the Spirit of Happiness - The Monks of New Skete

This book is part fiction and non-fiction. It tells the story of "the seeker" as he pursues a deeper spiritual life living among the monks. Yet, woven throughout the book are the insights of pursuing the spiritual life and a happier life from a monk's perspective. Although one may be inclined to think a monk cannot give any practical advice to those of us living "in the real world," this book will challenge that view. I appreciated how genuine and relatable this book turned out to be.

### JUNE 2025 ~ ONE GREAT HOUR OF SHARING OFFERING

Today, One Great Hour of Sharing serves people in over 80 countries around the world. Sponsored by five Christian U.S. denominations and Church World Service, One Great Hour of Sharing makes sure that we can respond to needs as soon as they happen and that tens of thousands of people receive support for ongoing relief, rehabilitation, and development.

If you would like to make a donation to this offering, envelopes are available at the Ramp entrance & in the Narthex. Please make your check payable to Hilton Baptist Church and mark in the memo line "One Great Hour of Sharing or OGH"

# BE THE LIGHT

## A LETTER FROM YOUR WORLD RELIEF OFFICER

Dear American Baptist Leaders,

I love Eugene Peterson's paraphrase of these verses in Matthew 5, and the clear commission they give to show up brightly in the world and be generous with our lives. That is the invitation extended in this year's One Great Hour of Sharing theme, Be the Light.

The scriptures tell us that huge crowds were gathering, drawn to Jesus by his teachings and the miracles of healing he performed. So, Jesus climbed a hill and delivered his "sermon on the mount." He opened his message by bestowing beautiful blessings that must have been like balm for those hearing it, and then he described a life of discipleship. He commands us in those verses to be light-bearers, to raise that light high and cast it wide.

Our giving to One Great Hour of Sharing is one way we can heed that call. When we participate in One Great Hour of Sharing, we shed light in places where circumstances make it difficult to imagine a future with hope. We create possibility for people forced to flee their homes in search of safety and new promise. We support life-giving recovery efforts when disasters devastate communities and overturn lives. We empower partners around the globe in their labors to build sustainable futures. We plant seeds of peace where war has wrought despair and destruction.

I think of the ministries our One Great Hour of Sharing gifts enable as a showering of unexpected blessings, much like those blessings Jesus granted in his sermon on the mount. Our offerings let people know that they are not alone, that people they don't even know see their pain and care enough to respond. They extend a mighty witness of love that is powerful and healing.

I hope you will participate in the One Great Hour of Sharing offering this year with a spirit of joyful generosity! Thank you for 'bringing out the God-colors in the world' by generously sharing your OGHs gifts. This is why we are here: to be shining witnesses of uncommon love and enduring hope, to share abundant blessings with others.

"Here's another way to put it: you're here to be light, bringing out the God-colors in the world. God is not a secret to be kept. We're going public with this, as public as a city on a hill. If I make you light-bearers, you don't think I'm going to hide you under a bucket, do you? I'm putting you on a light stand. Now that I've put you there on a hilltop, on a light stand—shine! Keep open house; be generous with your lives."  
(Matthew 5:14-16, The Message)

In grateful partnership,

Lisa Rothenberger-Winter  
World Relief Officer

### Memorial Dedication ~ June 1, 2025

Join us as we dedicate memorials supporting the construction of our New Church Roof during the Sunday, June 1<sup>st</sup>, service.

We will be remembering Fred Chattin, Al Colburn, Marjorie Daubert, Jim Nolan, Melissa Norbut, Eugene Pickett, David Rockcastle, Robert Rohland, Steve Shideler, Brian Speer and Bob Taber and honoring the Caring Cooks and Jayne Gerega during the dedication.

We also want to thank the families who directed their loved one's memorial funds to this project. While remembering these financial donations, we also want to thank Dan and David Lloyd who provided the funds for us to use, interest free. This was a huge benefit for our church and we don't want to lose sight of that during the dedication of memorials – or during the many fund-raisers that have been held to repay the loan.

Hope to see you Sunday, June 1<sup>st</sup>!

It's been 2 years and we are making GREAT progress thanks to the Fun Raising Team who continues to come up with different ways to earn money.

We'd like to Thank everyone that has and continues to contribute to the "Roof Fund". We have 5 years left to pay back the \$130, 820 loan that the Church Body approved in March of 2023. As of this Newsletter we still need \$52,260 to take care of the loan. On June 1st we will be dedicating approx. \$14,079 in Memorial funds to help with this loan leaving us a balance of around \$38,181 after the dedication.

If you are interested in making a donation to this project you may put your donation in a "Raise the Roof" envelope (envelopes are in the pew racks). Please remember if you put cash in the envelope and want it to be recorded on your year-end tax statement for tax purposes, you need to put your name on the envelope. ## Baby Boy "Bear" Update ~ 5/19/2025

---

"Bear's" 4<sup>th</sup> high dose chemo started 5/14. He's been doing good, but throwing up a lot due to excess secretion, and that's being addressed with meds changes. Please pray these changes all help our little guy. And please, please pray, too, that side effects from new meds are MINIMAL. His last chemo round was his worst. These hit him so hard, and he was absolutely pitiful. It's so hard seeing our Buddy so sick.

Thank you all so much for all your much needed prayers! Now enjoy our picture of our brave Bear.
